

DIRECTIONS:

Adults take 2 capsules in the morning and 2 capsules 30 minutes before bedtime for the first two weeks. After two weeks, begin taking 1 capsule in the morning and 1 capsule 30 minutes before bedtime or as needed. As with dietary supplements, please inform your healthcare professional before taking.

1 in 6 aging adults is affected by an overactive bladder or urinary incontinence which affects their quality of life and confidence. BladderGuard's clinically supported ingredients may help reduce occasional urgency.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

WARNING:

KEEP OUT OF REACH OF CHILDREN.
DO NOT EXCEED RECOMMENDED DOSE.
DO NOT PURCHASE IF OUTER SEAL IS BROKEN OR DAMAGED.
